

# Serious Bench Strength

Many firms have a star player or two, but to excel in today's challenging environment, you need a service provider with true depth in serving financial institutions.

The Dixon Hughes Financial Institution Services Group has 16 Members with more than 300 collective years experience in the banking industry. We serve more than 100 banks including community, regional and U.S. Top 10 banks, all with a hands-on, responsive service philosophy.

If you need an accounting firm with big game experience and personalized service, it's time to bring in the right team.
