

DIXON HUGHES PLLC

Certified Public Accountants and Advisors

Senior Living News InContext | June 2008

Paul Brennesholtz, PMP
Senior Manager

Paul has over seven years of experience in the healthcare and senior living industries, providing services in the areas of process improvement, change management and strategic planning facilitation. Paul brings a practical approach to improving business operations using a combination of process and organizational improvement techniques. He has led engagements with large for-profit and not-for-profit health systems and has facilitated planning sessions for not-for-profit boards.

Prior to joining Dixon Hughes, Paul worked for the management consulting practices of a large consulting firm and a global technology and services organization. Paul holds a Bachelor of Science in Business and a Bachelor of Arts in History from Wake Forest University. He is a member of the Georgia Chapter of the Healthcare Financial Management Association, National Rural Health Association and the Project Management Institute. He holds a Project Management Professional (PMP) designation from the Project Management Institute.
